

Thank you for downloading this *linen & purple* printable planner.

This download is for personal use only. It is not to be sold on, shared or duplicated. You may print as many pages as you need for personal use, but if you have friends or family who like your planner, please direct them to the *linen & purple* website for them to download their own copy.

Here are some tips for printing your *linen & purple* planner:

This planner is optimised for A4 paper, so please use this size paper.
(downloads for A5 and US Letter are also available at the *linen & purple* shop)

Ensure your printer settings are set to A4 **portrait**:

We recommend using the 'Borderless Printing' setting - then the graphics will go all the way to the edge of the page.

(You will find a 'Borderless Printing' check box in the 'Printer Properties' area)

To print double sided, select the 'Print on both sides of paper' checkbox, then select 'Flip on long edge'.

You don't need to print all the pages. You certainly don't need to print this page! Select the pages that suit your needs and print as many of them as required. The preview should show you which pages are going to print.

If you have any further questions, please do not hesitate to contact
